Bring your family, dogs, lawn chairs and a shade tent if you have one.

Tall Pines will furnish the burgers and dogs for grilling, paper plates and silver ware. Meadow Lake Farm will provide the drinks. Everyone else should bring a dish to pass. (We have some great cooks!)

There's lots of room for dogs to play or they can swim in the 30 acre lake. Bring your fishing pole...just fish away from the dogs please!

Dogs need to be under control, or remain leashed. Do not allow your dogs to go into pastures. You must pick up after your dogs!!!
